

Everyday Faith is about where and how we encounter God as we go about our lives. Where is God during our daily lives? How do we find God in the fullness of everyday life?

Faith is connecting with the God who holds all things together. So, faith is found in our joys and cares, in our challenges and conflicts as we lean into God’s presence and guidance. Faith informs our thinking and our actions as we discern how God might be using us in his work. Faith is an ongoing encounter with God. Faith is our everyday existence with the God who holds all things together.

He [Christ] is the image of the invisible God, the firstborn of all creation; for in him all things in heaven and on earth were created, things visible and invisible, whether thrones or dominions or rulers or powers – all things have been created through him and for him. He himself is before all things, and in him all things hold together.

Colossians 1: 16-17 (NRSV)

Everyday Faith is a series of reflections, prayers and stories to help you find and follow God in everyday life.
